

**OFFSHORE MOZAMBIQUE FIELD DEVELOPMENT PROJECT
PUBLIC ANNOUNCEMENT FOR EXPRESSION OF INTEREST**

Eni East Africa S.p.A., a company incorporated under the laws of Italy with a branch in the Republic of Mozambique (hereinafter referred to as “eni East Africa”), Operator of offshore Area 4 located in the Rovuma Block in the Republic of Mozambique, is evaluating, as part of the development strategy for Area 4, the supply of line pipe, associated pipe bends, anti-corrosion coating and bracelet anodes for cathodic protection.

Eni East Africa invites interested local and international companies, hereinafter referred to as “Candidates”, to participate in the Expression of Interest for the following potential Tender:

Scope of Work

Supply of 22” SAWL L450 line pipe anti-corrosion coating, pipe bends and bracelet anodes for cathodic protection, for Mozambique Offshore Development Projects.

This is not an invitation to participate in the above-mentioned potential Tender but only an invitation to participate to the Expression of Interest. If you wish to participate, please address your letter of interest duly signed by the authorized person (together with notarized powers of attorney or other evidence of authority of such authorized person satisfactory to eni East Africa) and submit the following mandatory information and documentation by registering on our website indicated below::

Evidence of:

- (i) proven experience in supply of equivalent size (20 to 28 inches OD and 25 to 40mm WT) and type (ISO 3183 PSL2/DNV-SAWL-L450) of line pipes for subsea gas transportation application;
- (ii) proven experience in line pipe fabrication, in a single contract, of more than 100km for the aforementioned type of pipes;
- (iii) proven experience in supply of buckle arrestors for large diameter and high thick wall pipelines;
- (iv) proven experience in supply of anti-corrosion coatings for offshore application for the aforementioned size and type of line pipes;
- (v) proven experience of bracelet anode supply for subsea pipeline cathodic protection;
- (vi) proven experience in line pipe logistics and delivery across countries and via overseas transportation;
- (vii) proven experience in supply of pipe bends
- (viii) optional: proven experience in supply of concrete coating for pipes of above diameter.

The registration website (Mozambique Application) is available to the following URL:

IMPORTANT:

The submission must refer to the following commodity code:

BB01AA01 - SAWL (LONGITUDINAL) WELDED LINEPIPES IN CARBON STEEL

Within the website application, under the section "Object of the Application" please select in the drop down menu of Type of Application the choice "Recommendation or invitation received by eni" and the field "Origin of invitation" shall be completed as follows: "SAWL Line Pipe".

Upon acceptance of your submission, Eni East Africa will provide you with a Form of Acknowledgement and Confidentiality Undertaking and Expression of Interest Questionnaire which shall be duly completed, signed by the authorized person and returned to Eni East Africa .

The Expression of Interest Questionnaire will be provided only to interest Candidates that comply with the above requirements.

Your application through our website along with the requested documentation, as aforesaid, must be submitted by the **30th October 2015**.

Any clarification needed may be requested to the following E-MAIL address eea.procurement.upstream@eni.com.

Eni East Africa will evaluate the above requested documentation and, if satisfied, as a result of its evaluation, will include the applicant in its Vendor List for consideration in future tender processes regarding the subject activities.

Eni East Africa will evaluate that each of the final selected companies have the resources, management and all the capability to act as a single legal entity (company) in order to achieve the required targets of quality, HSE, standards and schedule.

This enquiry shall not be considered an invitation to bid and therefore it does not represent or constitute any promise, obligation or commitment of eni East Africa, to enter into any agreement with any company replied to this request for expression of interest.

Any cost incurred by interested companies in preparing the Expression of Interest shall be fully born by companies who shall have no recourse to Eni East Africa in this respect.
