

**REQUEST FOR EXPRESSION OF INTEREST
ESHIA SPECIALIST STUDIES AND ENVIRONMENTAL ACTIVITIES FOR ENI EAST
AFRICA SpA ACTIVITIES IN THE REPUBLIC OF MOZAMBIQUE**

Eni East Africa S.p.A. invites interested companies to submit expressions of interest for *ESHIA Specialist Studies and Environmental Activities* to be carried out for operations in the Republic of Mozambique of Eni East Africa's and its sisters companies registered in Mozambique.

Scope of the work includes:

- Development of specialist studies for the ESHIA processes in compliance with national legislative requirements, eni standards and applicable international standards;
- Elaboration of Environmental (including biodiversity), social and health (ESH) baseline studies and conducting field surveys;
- Elaboration of HSE management plans; e
- Undertaking other environmental activities, including (but not limited) to development of gap analysis, modeling, survey strategies and plans and other Health, Safety and Environment (HSE) related activities.

Companies interested in this invitation may submit their *Expression of Interest* to participate in a tender process for "*ESHIA Specialist Studies and Environmental Activities*" by registering on our website indicated below and submitting the following required documentation:

13. Company and group structure with the list of major shareholders and ultimate beneficiaries (if not listed in the stock exchange);
14. Scanned certified copy of the trade register, legal entity name and contact person for receiving qualification and commercial information;
15. General information about the Company profile;
16. Documented proof of 10 years' experience in the Oil & Gas ESHIA activities (Offshore and Onshore) and specialist studies;
17. Company shall demonstrate experience in conducting at least:
 - a. Five (5) ESHIAs for projects of investment value of ≥ 200 million US\$D; and

- b. Complex ESHIAs or ESHIA specialist studies for projects located in three (3) different geographical areas (e.g. Africa, Asia, Europe, etc);
18. Documented proof of experience in conducting Environmental, Social and Health baseline studies and field survey activities both in onshore and offshore environments;
 19. List of available professional staff to conduct onshore and offshore environmental activities. Key qualification information shall be provided. And information about subcontracted staff shall be provided.
 20. Indication of availability of national personnel planned to be directly engaged and national services / works to be purchased
 21. Information about Company 's estimated man-hours per year for HSE staff.
 22. Evidence of Health, Safety and Environment Management System that complies with the requirements of International standard (ISO 14001, OHSAS 18001, etc).
 23. Evidence of Quality Management System in compliance with ISO 9001.
 24. Financial balance sheets (last year)/Annual Report proving minimum financial capacity for the realization of the scope of work.

The registration website (Mozambique Application) is available to the following URL:

https://eprocurement.eni.it/int_eng/Suppliers/Qualification/Mozambique-Application (for application in English)

https://eprocurement.eni.it/int_ita/Fornitori/Qualifica/Autocandidatura-Mozambico (for application in Portuguese/Italian)

IMPORTANT:

The submission must refer to the following commodity code:

SS01AC01 -ENVIRONMENTAL IMPACT STUDIES

Within the website application, under the section "Object of the Application", the area "Origin of invitation" shall be completed as follows : "*ESHIA Specialist Studies and Environmental Activities*".

Subject to the submission and compliance of all the above documentation, companies interested in this Expression of Interest may receive from the above email address the Qualification Package.

Eni East Africa will evaluate the above requested documentation and, if satisfied, as a result of its careful evaluation, will include the applicant in its Vendor List for consideration in future tender processes regarding the subject activities.

Only qualified companies or consortia or JV that have proven capability and recent experience of supplying the above required services will be considered for potential tenders for the scope of service described above.

The purpose of the information and documents request is to start a "qualification assessment" and to give an opportunity to the selected companies to provide details of their legal structure, management, experience, resources and overall capability to perform the service.

Eni East Africa will evaluate that each of the final selected companies have the resources, management and all the capability to act as a single legal entity (company) in order to achieve the required targets of quality, HSE, standards and programme.

All responses are to be supported by such narrative, organisation charts, resource charts and other information which the company considers necessary to substantiate the individual responses and provide Eni East Africa with the required confidence in the company's capabilities and experiences.

This enquiry shall not be considered an invitation to bid and therefore it does not represent or constitute any promise, obligation or commitment of any kind on the part of Eni East Africa, to enter into any agreement or arrangement with you or with any company participating in this pre-enquiry.

Consequently all data and information provided by you shall not be construed as a commitment on the part of Eni East Africa to enter into any agreement or arrangement with you, nor shall they entitle your company to claim any indemnity from Eni East Africa.

All data and information provided pursuant to this enquiry will be treated as strictly confidential and will not be disclosed or communicated to non-authorized persons or companies except Eni East Africa.

The deadline for receipt of Expression of Interest by the email address indicated above is set at **31st December 2015**.

Any cost incurred by interested companies in preparing the Expression of Interest shall be fully born by companies who shall have no recourse to Eni East Africa in this respect.
