

**REQUEST FOR EXPRESSION OF INTEREST
DEVELOPMENT OF PERMITS & CONSENTS PLAN FOR ENI EAST AFRICA SpA
ACTIVITIES IN THE REPUBLIC OF MOZAMBIQUE**

Eni east africa s.p.a. (“**EEA**”) invites interested companies to submit expressions of interest for development of permits & consents plan for EEA activities in the Republic of Mozambique

Scope of the work is to support EEA with the development of a Permits & Consents Plan required for site access, early works, construction, fabrication, offshore installation, commissioning, decommissioning and marine operations for onshore and offshore LNG development projects.

The selected company will be asked to:

- identify permits and consents required for carrying out projects activities during the development phase.
- Develop a Permits & Consents Plan which will include the identification and description of processes required to obtain, maintain and update the identified permits and consents in compliance with Mozambican legislative and regulatory requirements and established authorities projects. The plan shall clearly identify roles and responsibilities, required input, workflow, timing and cost.
- develop an engagement plan with the authorities.

Interested companies shall have a strong knowledge of the Mozambican regulatory framework and be capable to offer a complete proposal for a permits and consents plans, and authorities engagement plan.

Companies interested in this invitation may submit their *Expression of Interest* to participate in a tender process for “development of permits & consents plan” by registering on our website indicated below and submitting the following required documentation:

1. Company and group structure with the list of major shareholders and ultimate beneficiaries (if not listed in the stock exchange);
2. Scanned certified copy of the trade register, legal entity name and contact person for receiving qualification and commercial information;
3. Documented proof of experience in provision of the services for projects of similar nature;
4. Documented professional references released by international customers;

5. Documented proof of experience and consolidated knowledge of the Mozambican regulatory framework and location of office in Mozambique;
6. Quality Management System Manual in compliance with international Quality Standards (ISO 9001:2008);
7. Financial balance sheets (last year)/Annual Report proving minimum financial capacity for the realization of the scope of work;

The registration website (Mozambique Application) is available to the following URL:

SS04AB28 - TECHNICAL SERVICES: CONTROL/APPLICATION OF QUAL PLANS/CERTIF

Within the website application, under the section "Object of the Application", the area "Origin of invitation" shall be completed as follows: "development of permits & consents plan".

Subject to the submission and compliance of all the above documentation, companies interested in this Expression of Interest may receive from Vendor&Compliance unit of EEA the Qualification Package.

EEA will evaluate the above requested documentation and, if satisfied, as a result of its careful evaluation, will include the applicant in its Vendor List for consideration in future tender processes regarding the subject activities.

Only companies or consortia or JV that have proven capability and experience of supplying the above required services will be considered for potential tenders for the scope of service described above.

The purpose of the information and documents request is to start a "qualification assessment" and to give an opportunity to the selected companies to provide details of their legal structure, management, experience, resources and overall capability to perform the service.

This enquiry shall not be considered an invitation to bid and therefore it does not represent or constitute any promise, obligation or commitment of any kind on the part of EEA, to enter into any agreement or arrangement with any company participating in this pre-enquiry.

Consequently, all data and information provided by the interested company shall not be construed as a commitment on the part of EEA to enter into any agreement or arrangement with it, nor shall the submission of such data and information entitle the interested company to claim any indemnity from EEA.

All data and information provided pursuant to this enquiry will be treated as strictly confidential and will not be disclosed or communicated to non-authorized persons or companies, except EEA.

The deadline for receipt of Expression of Interest at the link indicated above is set at 15th of April 2016.

Any cost incurred by the interested companies in preparing the Expression of Interest shall be fully born by the companies who shall have no recourse to eni east africa in this respect.
