

**CORAL SOUTH DEVELOPMENT PROJECT  
PUBLIC ANNOUNCEMENT FOR EXPRESSION OF INTEREST  
MARINE WARRANTY SURVEYOR SERVICES**

**Eni East Africa S.p.A.** invites interested companies to submit expressions of interest for the provision of services of Marine Warranty Surveyor for Coral South Development Project that will be located in the Area 4 of Rovuma Basin, approximately at 135 nautical miles offshore from the north east coast of Pemba, Moçambique. Under the Coral South Development Project, Eni East Africa S.p.A. is planning to use a Floating LNG (FLNG) to develop process Natural Gas extracted from offshore Moçambique. Eni East Africa invites interested companies, hereinafter referred to as “Candidates”, to submit Expression of Interest for the provision of **“Marine Warranty Surveyor services”**

**Scope of Work:**

The Scope of Work is to provide a Marine Warranty Surveyor Service to support Company in order to ensure that the risks associated with the warranted operations to which marine warranty surveyor is appointed are reduced to an acceptable level in accordance with best industry practice.

The candidate to this Public Announcement must be capable to provide competent surveyors, in terms of qualifications and experience, to conduct review/approval activities being undertaken in accordance with Marine Warranty Survey (MWS) scope of work, particularly in providing Certificate of Approval (CoA) for the integration / installation operations and in inspections of marine vessels proposed by Company’s other contractors and to perform surveys of said vessels including condition and suitability survey, on/off hired survey, loading supervision, mobilization/sail-away survey, installation supervision and to obtain the certificates required by Company’s Construction All Risk carrier.

Candidates are requested to be capable to perform the required services in accordance with international codes and standards, in particular ISO 9001:2008 of Quality Management System requirements in order to produce and manage good quality of the Service.

**Candidates:**

Companies interested in this invitation may submit their *Expression of Interest* duly signed by the authorized person (together with notarized powers of attorney or other evidence of authority of such authorized person) along with the following mandatory information and documentation providing evidence of:

- 1- Being an International Association of Marine Warranty Surveyors IAMWS Member;
- 2- Having published rules / guidelines for marine operations applicable to Floating offshore Production Units (FLNGs or FPSOs) during construction, transportation, installation, integration and commissioning activities;
- 3- Having evincible experience in Marine Warranty Survey of Floating Production Units (FLNGs or FPSOs) during construction, transportation, installation, integration and commissioning activities;

- 4- Having evincible experience in Marine Warranty Survey on construction, transportation, installation, integration and commissioning activities of Turret/Mooring system of Floating Production Units (FLNGs or FPSOs);
- 5- Having evincible experience in Marine Warranty Survey of Marine operations for installation and integration of SURF;
- 6- Having Health & Safety Management System certifications and/or Health & Safety Management System compliant with international standards (e.g. OHSAS 18001);
- 7- Having Environmental Management System certifications and/or Environmental Management System compliant with international standards (e.g. ISO 14001);
- 8- Having Quality Management System certifications and/or Quality Management System compliant with international Quality Standards (e.g. ISO 9001);
- 9- Last three years of financial statements including: Balance Sheets, Profit and Loss and Cash Flow statement.
- 10- Company and group structure with the list of major shareholders and ultimate beneficiaries (if not listed in the stock exchange);
- 11- Scanned certified copy of the trade register, legal entity name and contact person for receiving qualification and commercial information;

The registration website (Mozambique Application) is available at the following URL:

[https://eprocurement.eni.it/int\\_eng/Suppliers/Qualification/Mozambique-Application \(for application in English\)](https://eprocurement.eni.it/int_eng/Suppliers/Qualification/Mozambique-Application_(for_application_in_English))

[https://eprocurement.eni.it/int\\_ita/Fornitori/Qualifica/Autocandidatura-Mozambico \(for application in Portuguese/Italian\)](https://eprocurement.eni.it/int_ita/Fornitori/Qualifica/Autocandidatura-Mozambico_(for_application_in_Portuguese/Italian))

**IMPORTANT:**

The submission must refer to the following commodity codes:

**SS04AB28 - TECHNICAL SERVICES: CONTROL/APPLICATION OF QUAL PLANS/QUAL CERTIF. /PROJECT**

Within the website application, under the section “Object of the Application”, the area “Origin of invitation” shall be completed as follows: “Marine Warranty Surveyor”

Subject to the submission of the application and to the compliance of all the above documentation, Companies interested in this Expression of Interest may receive from Eni East Africa the Qualification Package

Eni East Africa will evaluate the above requested documentation and, if satisfied, will include the applicant in its Vendor List for consideration in future tender processes regarding the subject activities.

Only qualified companies or consortia or JV that have proven capability and recent experience of supplying the above required services will be considered for potential tenders for the scope of service described above.

The purpose of the information and documents request is to start a “qualification assessment” and to give an opportunity to the selected companies to provide details of their legal structure, management, experience, resources and overall capability to perform the service.

Eni east africa will evaluate that each of the final selected companies have the resources, management and all the capability to act as a single legal entity (company) in order to achieve the required targets of quality, HSE, standards and programme.

All responses are to be supported by such narrative, organisation charts, resource charts and other information which the company considers necessary to substantiate the individual responses and provide Eni East Africa with the required confidence in the company’s capabilities and experiences.

This enquiry shall not be considered an invitation to bid and therefore it does not represent or constitute any promise, obligation or commitment of any kind on the part of Eni East Africa, to enter into any agreement or arrangement with you or with any company participating in this pre-enquiry.

Consequently all data and information provided within the application shall not be construed as a commitment on the part of Eni East Africa to enter into any agreement or arrangement with you, nor shall they entitle your company to claim any indemnity from Eni East Africa.

All data and information provided pursuant to this enquiry will be treated as strictly confidential and will not be disclosed or communicated to non-authorized persons or companies except eni and its affiliates.

The deadline for submission of Expression of Interest through our website is set at **23<sup>rd</sup> September 2016.**

Any cost incurred by interested companies in preparing the Expression of Interest shall be fully born by Companies who shall have no recourse to Eni East Africa in this respect.
