

**CORAL SOUTH DEVELOPMENT PROJECT
PUBLIC ANNOUNCEMENT FOR EXPRESSION OF INTEREST
THIRD PARTY CERTIFICATION AND TECHNOLOGY VALIDATION SERVICES**

Eni East Africa S.p.A. ("EEA") invites interested companies to submit expressions of interest for the provision of services of *Third Party Certification* and *Technology Validation* for Coral South Development Project that will be located in the Area 4 of Rovuma Basin, approximately at 135 nautical miles offshore from the north east coast of Pemba, Mozambique. Under the Coral South Development Project, Eni East Africa S.p.A. is planning to use a Floating Liquefying Natural Gas Unit (FLNG) to develop and process Natural Gas which will be extracted from offshore Mozambique. Eni East Africa invites interested companies, hereinafter referred to as "Candidates", to submit Expression of Interest for the provision of "**Third Party Certification and Technology Validation Services**".

Scope of Work:

The Scope of Work is to provide a Third Party Certification and Technology Validation Service in order to support Company during the Engineering, Procurement, Construction, Installation and Commissioning phases necessary to realize the above mentioned FLNG UNIT. The service can be resumed in the 2 following main activities:

- Certification of Subsea Production System:
 - Christmas Trees
 - Jumpers
 - Manifolds
 - Umbilicals
 - Risers
 - Flowlines

- Technology Validation:

Some components of the above mentioned FLNG Unit are identified by EEA as "Technical Novelties" and are subject to certain activities of Technology Validation. Such activities mainly consist in document review and all the necessary physical inspections of all the phases necessary to realize the FLNG Unit.

Candidates:

Companies interested in this invitation may submit their *Expression of Interest* duly signed by the authorized person (together with notarized powers of attorney or other evidence of authority of such authorized person) along with the following mandatory information and documentation providing evidence of:

- 1- Being an internationally recognised inspection/certification/Classification Agency member of International Association of Classification Societies (IACS)
- 2- Having evincible experience in provision of certification services for floating systems and facilities aimed to store and produce hydrocarbons (i.e. FPSOs and FLNGs) in O&G upstream or midstream business;

- 3- Having evincible experience in provision of certification services for subsea systems and facilities aimed to produce hydrocarbons in deep-water environment in O&G upstream business;
- 4- Having evincible experience in provision of technology qualification and validation services for floating systems and facilities aimed to store and produce hydrocarbons (i.e. FPSOs and FLNGs) gained during past or ongoing FLNG/FSRU projects in FEED or in execution stages and deep-water subsea developments;
- 5- Having Health & Safety Management System certifications and/or Health & Safety Management System compliant with international standards (e.g. OHSAS 18001);
- 6- Having Environmental Management System certifications and/or Environmental Management System compliant with international standards (e.g. ISO 14001);
- 7- Having Quality Management System certifications and/or Quality Management System compliant with international Quality Standards (e.g. ISO 9001);
- 8- Last three years of financial statements including Balance Sheets, Profit and Loss and Cash Flow statement.
- 9- Company and group structure with the list of major shareholders and ultimate beneficiaries (if not listed in the stock exchange);
- 10- Scanned certified copy of the trade register, legal entity name and contact person for receiving qualification and commercial information;

The registration website (Mozambique Application) is available at the following URL:

https://eprocurement.eni.it/int_eng/Suppliers/Qualification/Mozambique-Application (for application in English)

https://eprocurement.eni.it/int_ita/Fornitori/Qualifica/Autocandidatura-Mozambico (for application in Portuguese/Italian)

IMPORTANT:

The submission must refer to the following commodity codes:

SS04AB28 - TECHNICAL SERVICES: CONTROL/APPLICATION OF QUAL PLANS/QUAL CERTIF. /PROJECT

Within the website application, under the section "Object of the Application", the area "Origin of invitation" shall be completed as follows: "Third Party Certification and Technology Validation"

To be noted that Companies which are in possess of a valid qualification letter from Eni Group and which already self-applied or applied in the past for the same commodity or similar activities, confirmation of interest and, if applicable, required documentation can be sent to the following email address: eea.procurement@eni.com.

Subject to the submission of the application and to the compliance of all the above documentation, Companies interested in this Expression of Interest may receive from Eni East Africa the Qualification Package

Eni East Africa will evaluate the above requested documentation and, if satisfied, will include the applicant in its Vendor List for consideration in future tender processes regarding the subject activities.

Only qualified companies or consortia or JV that have proven capability and recent experience of supplying the above required services will be considered for potential tenders for the scope of service described above.

The purpose of the information and documents request is to start a "qualification assessment" and to give an opportunity to the selected companies to provide details of their legal structure, management, experience, resources and overall capability to perform the service.

Eni East Africa will evaluate that each of the final selected companies have the resources, management and all the capability to act as a single legal entity (company) in order to achieve the required targets of quality, HSE, standards and programme.

All responses are to be supported by such narrative, organisation charts, resource charts and other information which the company considers necessary to substantiate the individual responses and provide Eni East Africa with the required confidence in the company's capabilities and experiences.

This enquiry shall not be considered an invitation to bid and therefore it does not represent or constitute any promise, obligation or commitment of any kind on the part of Eni East Africa, to enter into any agreement or arrangement with you or with any company participating in this pre-enquiry.

Consequently all data and information provided within the application shall not be construed as a commitment on the part of Eni East Africa to enter into any agreement or arrangement with you, nor shall they entitle your company to claim any indemnity from Eni East Africa.

All data and information provided pursuant to this enquiry will be treated as strictly confidential and will not be disclosed or communicated to non-authorized persons or companies except Eni and its affiliates.

The deadline for submission of Expression of Interest through our website is set at **02nd December of 2016**

Any cost incurred by interested companies in preparing the Expression of Interest shall be fully born by Companies who shall have no recourse to Eni East Africa in this respect.
